Subject: RE: SCANA

Dear Ms. Going,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: SCANA

Commissioner Howard,

I have written several published Letters to the Editor in the P &C about the total unfairness, criminal behavior of SCANA & SCE&G executives, and the all too cozy relationship with SC legislators and with ORS & PSC. It is time for this fiasco to come to it's rightful conclusion. The BSRA was a great mistake and should never have been enacted. The law was NOT followed by SCANA et.al and this is enough to make them forfeit all rights and profits made from this unfortunate act.

To think that the protectors of the public's rights are considering letting Dominion Energy buy into the fiasco and continue to charge ratepayers for ANOTHER TWENTY YEARS is as awful as the original plan to gouge us.

Please do the right thing for a change and let the ratepayers be refunded ALL monies paid and stop ALL future rates from going to Dominion or SCE&G, as should have been already done.

Sincerely,

Meredith E Going
